

HYFOIL 28

High Efficiency

Performance Catamaran

FUN, FAST & EASY... A RIDE THAT NEVER GETS OLD

A NEW WAY TO TRAVEL...WITHOUT COMPROMISE

Say goodbye to the limitations of traditional boats and welcome the HY28, a groundbreaking watercraft that combines the exhilarating acceleration and handling of a sports car with the safety and comfort you expect in terrestrial vehicles.

Whether you're a thrill-seeker or someone who values safety and sustainability, the HY28 is your gateway to a new era of boating. Embrace the future of marine transportation, where speed, safety, and comfort converge like never before.
